One Common End Result:*

A Path Cut Straight Through Your Worst Soils!

**The Top 10 Reasons
To Make Heavy Duty Cleaner/Degreaser Your Product Of Choice**

- 1. POWER** - Blasts through industrial strength dirt, oil, grease, carbon, hydraulic fluids and soot.
- 2. VERSATILITY** - Ideal hard surface cleaner/degreaser for vinyl, rubber, plastic, metal, porcelain, fiberglass and more...
- 3. LABOR SAVING** - Hard hitting formula helps you fast forward straight to results – with less scrubbing required.
- 4. RELIABILITY** - Remains effective even when highly diluted (32:1 for light tasks)
- 5. USER FRIENDLY** - Formula is free of petroleum or chlorinated solvents.
- 6. USDA AUTHORIZED** - Approved for use in federally inspected meat & poultry plants. Classification code letter C-1.
- 7. CONSOLIDATION** - Performs tasks that previously required separate specialty products...This reduces the number of cleaning chemicals in-house and helps free up storage space.
- 8. ECONOMY** - Concentrated so you enjoy maximum results...while only using as much chemical as necessary.
- 9. BULK SIZE** - Available in a 55 gallon drum for added cost savings.
- 10. EASY ORDERING** - Just request from your XPEDX salesperson with the following order information:
